Persons having inquiries concerning the District's compliance with Title VI, Title IX, section 504, Americans with Disabilities Act, and Age Discrimination Act may contact the superintendent, the school district's Section 504 coordinator, 205 E. 6th, Hugoton, KS 67951, 316-544-4397.

ENROLLMENT INFORMATION

Required for School Entry: Parents wishing to enroll students in Hugoton Elementary School are to provide the following: Legal Birth Certificate; valid Social Security Card; appropriate Physical examination information for students 8 years and under; Immunization records; all prior school records transferred. Students transferring from another district will be enrolled and admitted on a provisional basis until all appropriate records have been accrued, reviewed and approved for permanent enrollment status.

Immunizations Required: State law requires that all students are to have evidence on file at school of having received vaccinations. A parent or guardian must submit a record that documents the vaccination at enrollment. Students will be excluded from school unless the immunization requirements are met. Each child or adolescent is required to provide proof of vaccinations being current, as per most recent Kansas Dept. of Health and Environment requirements. See USD 210 enrollment packet for this list. In addition, the proof shall be verified by one of the following: (a.) The signed statement of a physician indicating the child's or adolescent's date of this illness, (b.) The signed statement of a parent indicating the child's or adolescent's date of this illness, or (c.) Laboratory evidence of Varicella immunity. The immunization record of each pupil shall document that the pupil has received the vaccinations specified above from a licensed physician or local health department.

Hugoton Community Preschool: Any child who is four (4) years of age on or before August 31st of the current school year, is eligible to attend the Hugoton Community Preschool. When filling out an enrollment qualifier sheet, children may qualify for free preschool or attend by tuition. Upon entering, children must present a birth certificate, a health certificate, and proof of immunization.

Kindergarten: A child who will be five years old on or before August 31st of that school year shall be eligible to enter Kindergarten. State Department of Education requirements state that children entering Kindergarten must present a birth certificate, a health certificate, and proof of immunization.

Developmental Screenings: Screenings are available in the spring to children who are eligible for Preschool or Kindergarten. The screening will provide information to parents concerning whether a child is developmentally ready to enter school. These are not intelligence tests. Parents will have the opportunity to discuss the information with school personnel for the best decision concerning their child's educational needs. These screenings are optional.

Parent Request for Student Placement: Parents should inform the principal of any placement concerns they have for their child. The school will consider those concerns on an individual basis. Placement will be determined by the needs of all students in a grade level. The goal of the school is to have each classroom group to be equitable in the range of student academic ability, girl/boy ratio, personal relationships, and cultural diversity.

ARRIVAL AND DISMISSAL TIMES

Arrival Time for School: Classes begin at 8:10 A.M. for grades Kindergarten through 6th. Morning Preschool begins at 8:05 and dismisses at 11:15. Afternoon Preschool begins at 12:20 and dismisses at 3:30. Students may arrive at 7:30 for the Breakfast program, but are to return to the Commons / Gym area after finishing breakfast. The main entrance will be unlocked at 7:30 A.M.

Entrance to Building: All main entrances are on Madison Street and 6th Street. ECDC Students enter into their building on Madison Street. Grades 1st and 2nd are to enter at the central entrance and wait in the commons area. Grades 3rd through 6th are to enter at the main building entrance and wait in the Gym. Students eating breakfast should enter through the same entrances and go directly to the cafeteria. No students should be in any hallways or classrooms between 7:30 and 8:10 unless prior arrangement with a teacher has been made. Students should go directly from their Commons area to the cafeteria for breakfast.

Dismissal Procedure: School is dismissed at 3:30 P.M. At the end of the day younger students needing to meet older students should wait in the Primary Commons Area. All other students should leave the building through the nearest exit. Students should leave the building and the grounds by 3:35 P.M. unless they have permission from a staff member or an approved scheduled activity. Students are expected to stay off of playground equipment at this time. Preschool children will be dismissed at 11:15 A.M. and 3:30 P.M. Preschool and Kindergarten students will be brought out the front doors of the ECDC to meet parents each day.

Picking Up Students From the Street at Dismissal Time: 6th Street from Adams to Monroe is one-way traffic from east to west and 5th Street is one-way traffic from west to east from 7:30-8:30 A.M. and 3:00 P.M. to 4:00 P.M. during the school year. Do not double-park while waiting for students to come out of the building as you may receive a parking ticket from the city police. Parking areas are available on all sides on the building to meet your students. When picking up or dropping off children in the front of the school, parents should pull in parallel with the school in the designated area. Do not drop off children in the street.

Entering the Building at Dismissal Time: If parents want to pick up their children in the building, they are to enter through the front doors.

Stormy Weather: School will not be dismissed because of storms that arise during the school day as long as safety can be maintained here. In case of an emergency school closing, the following radio and TV stations will be notified: KSCB, KLIB, KJIL-FM, KULY, KFX, KSNG-TV, KUPK-TV and Cable Channel Twelve. In addition, Easy School Messenger service will be implemented, as time allows.

Leaving the Building or Grounds During School Hours: To maintain a safe place for students they will not be allowed to leave the campus unless a permission note is signed, dated, and the destination stated by their parents. This note is to be brought to the office when the student arrives at school. The office will keep the permission note and issue a pass for the student to give to the teacher. When it is time to leave, the student will be called to the office to sign out and meet the parent. Students will be called to the office only when a parent arrives at the school building to sign their child out. If the student returns back to school that day, the same note may be used to re-admit. Local dental and eye appointments will not be counted as an absence or tardy if the student leaves and returns immediately after the appointment.

ATTENDANCE

Importance of Attendance: The basic responsibility for school attendance rests with parents or guardians as compulsory attendance laws require students to be in school. For students to be successful and feel good about school they need to be in school. One of the benchmarks for a student to successfully transition from grade to grade is to not miss more than 10 days of school, excused or unexcused. Students who miss more than 10 days of school may not credential for the next grade.

Parents to Phone School for Absences: When students will be absent, parents are to call the school. The school has an answering machine so there are no hour limits as to when you may call, however, the call should be made before 9:00 A.M. When calling, identify your name and the student's name and grade. Parents should call the school office no later than 3:15 for student notification of changes to afterschool plans. Written notes ahead of time from parents are preferred when possible.

Returning After an Absence: When a student has been absent, one is to report to the office with a note, if a call was not made reporting the absence. The office will write an "Admit to Class" for the student to give to the teacher. If the student does not bring a note and if no telephone contact has been made, the student will be given an unexcused absence until the parents have notified the school office as to why the student was absent. Student absences of five (5) days or more due to illness will require a note from the physician's office.

Full Day Attendance: Arrival prior to 10:00 A.M. or departure after 2:00 P.M.

½ Day Absence: Students arriving at school after 10:00 A.M. or checking out before 2:00 P.M.

Excused Absence: A child who misses one half of a day of school or more due to illness, Doctor's appointment, funeral, religious activity, emergency, legal reasons or other, as arranged and approved in advance with Administration.

Unexcused Absence: A child who misses one half of a day or more due to over sleeping, shopping out of town, hair cut, or other similar reasons.

Truancy: A child will be considered truant if they have three (3) consecutive unexcused absences or five (5) unexcused absences in one semester. If this situation occurs the parent or guardian will receive information from the school office explaining the truancy. This information will also be given to the appropriate authorities.

ACADEMIC EXPECTATIONS

Credentialing: Students are expected to meet certain benchmarks before being promoted to the next grade level.

Grading Scale and GPA: Students are expected to maintain a 70% grade point average or better. Students who fall below this GPA will be referred to the Student Assistance Team (SAT). The SAT will advise the family and teachers on how to improve the student's academic performance.

E = Excels	90% – 100%	A = 90% - 100%
S = Satisfactory	80% – 89%	B = 80% -89%
N = Needs Improvement	0% - 79%	C = 70% - 79%
		D = 60% - 69%
		F = 0% - 59%

SCHOOL VISITATION AND COMMUNICATION

Visitation of Classrooms: Parents are welcome to visit their student's classroom, but are to contact the teacher for the best time **at least one day prior to visit**. Generally, the first and last months of the school year, the day before or after a holiday and the first period of the day are not the best times to visit.

Procedure for Visiting the Building: Due to the safety of our students, each person is to enter the building at the central entrance near the office. Visitors are to check in with the office and state their business with the school. Exceptions are parent-teacher conferences and programs where invitations have been extended.

Lunch Time Visitors: Parents, grandparents or young visitors may eat lunch with their companion. All lunch visitors are to first check in at the office and obtain their ticket, then go directly to the lunch line area to meet their companion.

Young People as Visitors: Young relatives or friends may visit the lunchroom following the above procedures provided they are accompanied by an adult to the lunch line. They are not to visit the classroom because of potential disruption from the learning process.

Non School-Hour Visitors: No one, staff member's family nor any person, is to be in any room except the staff member's room without prior authorization by the administration.

Communication to Parents: Teachers are encouraged and expected to communicate positive comments and concerns with parents at any time. General information or requests sent to parents are to be filed with the principal.

Progress Reports and Contact with Parents: To keep both students and parents informed of progress, or lack of it, report forms or communications of some type is to be made near midpoint of each nine weeks. Intermediate-level teachers will also notify parents about the progress of the child's credentialing. Parents are also encouraged to keep track of student grades on-line with the district's GoEdustar software. Parents may subscribe at www.usd210.org.

Report Cards: These will be issued after the end of each nine-week period, are to be signed by the parent(s)/ guardians and returned to the teacher.

Parent / Teacher Conferences: A student-led conference in the Intermediate School and a parent conference in the Primary School will be scheduled after the first nine weeks and again during the third nine weeks for all parents. Information regarding P/T Conferences will be made available in the school newsletter and in notes being sent home with students. Parents are to call the school secretaries to schedule a conference with each teacher or may return the form attached to the note sent home, if a call is not possible.

Articulation meetings: Articulation meetings will be held in May for 6th grade students. These meetings will be held with the student, the parents, this year's teacher and next year's teacher. This meeting will discuss the transition from one school to the next. A decision will also be made at this meeting on whether the student is credentialed, or certified, to move onto the next school. This decision will be based on academic performance in reading, writing, math, attendance and behavior.

GENERAL SCHOOL INFORMATION AND EXPECTATIONS

Pets: Pets may be brought for sharing when accompanied by the student's parent or guardian. Arrangements must be made in advance and pet vaccinations must be current. Other animals brought to school for educational purposes must be kept in cages.

Gifts at School: Deliveries of gifts for students to school are discouraged. No classes shall be interrupted for the purpose of delivering a gift. Gift exchanges are a personal exchange between the giver and the receiver and are not a school function.

Bicycles, Skates and Skateboards: Bicycles are to be parked AND LOCKED in the racks provided. Students are to walk their bicycle on the sidewalk to and from the bike racks, with no riding on school grounds or sidewalks. To walk your bike means for you to be on one side, not sitting on the seat, straddling the frame or standing on the pedals. Kindergarten students and younger are asked not to ride bikes to school. Skates, roller blades and skateboards are not to be ridden or brought to school by anyone. With the high pedestrian traffic around before and after school this will make it safer for all our students.

Lost and Found: The school has a lost and found box in the office. Jewelry, glasses etc. are kept in the office and may be claimed upon identification. **Outer garments such as jackets, coats, boots, etc., as well as personal books, purses and other items should be marked with the owner's name.**

Telephone Use: Students are encouraged not to bring cell phones to school. If such happens, they are not to use them at any time during the school day or in the school building.

LUNCH AND BREAKFAST INFORMATION

Purchase of Breakfast and Lunches: The per meal cost for **breakfast** is: student \$1.60, employees \$2.00 and guests \$3.00. The per meal cost of **lunch** is: students and preschool guests \$2.50, employees \$3.60 and guests \$3.85. An extra milk costs \$.30. Students are to purchase breakfast and lunch tickets in the morning from 7:30 till 8:10 with permission from the morning supervisor. Lunch tickets should be purchased at least one week at a time, however, it is recommended that students purchase them one month or more at a time. Reminders will be sent home when your child has only two lunches left. We discourage charging any lunches. If this occurs, the office staff will call parents to make arrangements. If paying on time is a problem, students always have the option of bringing a sack lunch; however, fast food lunches are not allowed to be brought into the cafeteria. We encourage families to eat breakfast together at home. At times this is not always possible, so students may eat at school. We consider this a privilege, but due to the low cost, **we do not allow charges for breakfasts.**

Parents are invited to have lunch with their child anytime, but are to purchase their meal ticket in the school office before going directly to the lunch-line area to meet their child.

Breakfast Schedule: 7:30-8:00 a.m.

Lunch Schedules:

<u>Grade Level</u>	<u>Arrival</u>	<u>Return</u>	<u>Grade Level</u>	<u>Arrival</u>	<u>Return</u>

2 nd Grade	11:15	12:00	5 th Grade	12:15	12:35
			6 th Grade	11:30	12:15

Guidelines for Lunchroom:

1. Speak in soft and quiet voices.
2. Individual classrooms will stay together.
3. Hands, feet and all objects are to be kept to one's self.
4. Food is not to be exchanged for sanitation purposes.
5. Water is available for those who cannot drink milk.
6. Appropriate attire (including shoes) is to be worn.

A well balanced, low cost lunch is a privilege for students. Students who abuse this privilege by throwing food, using profane language, bad manners or who are disrespectful to staff will be asked to make their own arrangements for lunch.

Off-Campus Eating: Students may eat lunch off campus provided appropriate office notification has been given stating the date, place of eating, with whom they are eating and their parent's signature. A one time note giving the above information is adequate for students who regularly eat at home. Each teacher will be informed of those students eating off campus. All students are to sign out daily at the office before leaving.

BUS REGULATIONS

Students riding the bus are subject to all safety rules as stated by Kansas Laws. In order to maintain bus safety, various rules are made and posted on the bus regarding student behavior while riding to and from school and also on activity trips. The penalty for violating bus rules (483.18 in policy guide) carries a written warning to student and parents and a maximum penalty of being denied the privilege of riding the bus by the school principal. The parents are informed of infractions and a conference with the parties involved is required.

1. The driver is in charge of the pupils and the bus. Pupils must obey the driver promptly and cheerfully.
2. The driver may assign a seat to each student. Students must stay in their seats and face forward with their feet on the floor. Students in less desirable seats may move to a second assigned seat for added comfort after the passenger load is lightened if permission is first obtained from the driver and the bus is not in motion.
3. Pupils must be on time, the bus cannot wait for those who are tardy. Pupils must walk on the far left side of road facing traffic when going to the bus stop.
4. Pupils must never stand in the roadway while waiting for the bus. All pupils must wait for the bus off the traveled portion of the road. Students should wait in an orderly manner and never push a fellow student.
5. Unnecessary conversation with the driver is prohibited. Do not talk loudly or distract the driver's attention. Remember your safety is in his hands.
6. Outside of ordinary conversation, classroom conduct is to be observed. The use of profane language and immoral language, tobacco, alcohol or drugs is prohibited.
7. Pupils must not throw waste paper or other rubbish on the floor of the bus. Help keep your bus clean and sanitary at all times
8. Pupils must not at any time extend arms or head out of bus windows.
9. Pupils must not try to get on or off the bus or move about within the bus while it is in motion.
10. When leaving the bus, pupils must observe directions of driver. If students must cross the road, do so in front of the bus after making sure highway is clear.
11. No pets or animals are allowed.
12. Students riding a bus during a stormy season are advised to listen to their home radio for storm warnings and not attempt to reach school when so forewarned of unsafe conditions such as heavy snows or flood.
13. Students will not be allowed to ride any other bus but their own from the middle school to the elementary school.
14. Students will not be allowed to leave the bus at the elementary school unless they are to ride home with parents.
15. No glass containers, knives nor any object that is liable to cause injury is allowed. Food or drinks will be allowed.
16. Any Hugoton student may ride to a home on the regular route but will not be taken to a "near by" farm, or to a baby-sitter that is not on the regular route.
17. All students must present a note to the bus driver and to their teacher when there will be a change in the regular bus riding procedure. ECDC children especially become very confused with verbal instructions.
18. Young children will never be left at a home alone. If a parent or baby-sitter is not at home when the bus arrives, the child will be brought back to town and parents must make arrangements to have them picked up as soon as possible.
19. Elementary students will be dismissed from the bus at 7:45 A.M. to enter the elementary building unless it arrives later. The bus will leave the elementary building at 3:40 P.M. unless detained from it's 3:30 arrival.
20. Students are not to walk between buses as they will be parked bumper to bumper.

NURSE AND HEALTH INFORMATION

Health Services: The school is to be informed of any student health problems, the name of the family physician, where a parent can be reached in case of an emergency and who is to be contacted or what is to be done if the parent cannot be reached. It is the responsibility of the parent to let the school know if telephone numbers or directions for emergency contact changes. No child will be sent home unless a contact with a designated person has been achieved. However, in extreme situations, emergency services will be called, the student taken to the hospital or a physician called. School personnel will not give any medication unless written or oral directions are given to the school nurse by the doctor. Students taking prescription medication must bring the medicine to school in its original container with dosage and the name of the prescribing doctor.

The nurse is available for our students as described above and for incidents that occur at school. The nurse is not to be consulted for medical needs that occur outside of school or at home. It is recommended that the parent or guardian consult their personal nurse or doctor.

Medication Policy:

Policy: In certain circumstances the school nurse or designated school personnel will administer prescribed medication or over-the-counter medications during school hours in order that the student remain in school.

1. Medication will be administered during the school day only when the interval between doses requires administration in school or the medication is a "when necessary" order. Only oral, prescribed subcutaneous, topical or intranasal medications, eye or ear drops should be routinely administered at school.
2. Prescription medications must have written consent from the health care provider and parent/guardian prior to administration in school.
3. Over-the-counter medications must have written consent from the parent/guardian prior to administration in school.
4. Prescription medications will be maintained on school premises with physician and parental consent. Over-the-counter medications with parental consent may be maintained on school premises for a specific, time-limited minor illness (e.g. Ibuprofen for muscle strain, cough drops for colds) or for intermittent conditions (e.g. Acetaminophen for menstrual cramps, ointment for insect bites, etc). The school reserves the right to limit the duration of parent prescribed medications and to require primary care provider authorization for continued use.
5. Prescription and over-the-counter medications must be brought to the school in the original container with the following information clearly stated: child's name, medication, dosage, route of administration and time(s) to be administered.
6. Any changes in medication dosage and/or time of administration must be accompanied by a new provider and parent/guardian signed Medication Administration Permission Form. A newly labeled pharmacy container is also required.

The self-administration of medication is allowed for eligible students in grades K-12. As used in this policy medication means a medicine for the treatment of asthma, anaphylaxis including but not limited to, any medicine defined in current federal regulations as an inhaled bronchodilator, auto-injectible epinephrine which is prescribed by a health care provider.

Head Lice Control: Head lice are easy to treat so the re-infestation can be avoided. Here are some facts concerning head lice:

1. They cannot fly, hop, or jump.
2. Direct head to head contact is responsible for the majority of cases.
3. Lice live 24-72 hours on combs, brushes, hats, scarves, clothing, etc. Sharing these items is a common path to infestation.
4. Head lice are not necessarily a sign of poor health habits or lack of cleanliness. It can happen to anyone. Persistent itching of the head and back of the neck, infected scratch marks or a rash on the scalp are indicators. Unlike dandruff flakes or hair spray droplets, nits are difficult to remove. Living on human host, an adult louse may live one to three weeks, and a female can lay eggs several times during this period.

Over-the-counter remedies are available at the drug stores or other stores carrying pharmaceutical supplies and do not require a doctor's prescription. An important part of eradication is hot water washing of clothes, towels, bed linens, and other items the child has used in the three days previous to discovery of the condition. Pillows, couch cushions, stuffed toys, etc. should be put in a hot clothes dryer for 30 minutes. Follow the directions closely on shampoo remedy to insure final results.

Students staying in from Recess: If there are serious reasons for not going out to recess, a note signed by a parent should be sent to the student's teacher. A doctor's office note may be requested if the restriction is habitual.

When to Stay Home from School: Whether or not to keep a child home from school isn't always an easy decision. It is obvious that a very ill child does not belong at school, but there are other days when careful consideration must be given. The following list should assist in that decision, **remembering that students must be SYMPTOM-FREE FOR 24 HOURS before returning to school, as per School Board policy.**

Fevers: Children with fevers should not be in school. Remember that all ill children sometimes have normal temperatures in the morning but become feverish by afternoon. A child with a fever the afternoon before a school day should STAY HOME the following day. Return to school is appropriate after 24 hours fever free. Definitions of fever vary, but for school purposes the school health office uses a temperature 100 degrees F or above. On the other hand, some children feel very ill with smaller temperature elevations.

Diarrhea/Vomiting: Children with diarrhea and/or vomiting should STAY HOME for 24 hours after the last episode. If your child vomits or has a loose stool in the night or early morning DO NOT send them to school!

Contagious Diseases: Children with contagious diseases spread by contact, coughing or sneezing should stay home. Examples: influenza, chicken pox, strep throat. A child with strep throat may return to school after 24 hours on antibiotics, IF FEELING BETTER. Sometimes a child seems well enough to return to school in the morning, but by afternoon is not feeling well enough for classroom activities. They may need more time to recover.

Other Conditions: Conditions making children too uncomfortable to participate in class are also reasonable grounds for staying home. Examples: urinary tract infection, painful injuries, nagging coughs, and continuous nasal drainage.

Of course every child with a sniffle cannot miss school, but consideration for other students and staff is expected and appreciated. Children should be reminded to use tissues to cover coughs and sneezes and **especially** to wash hands frequently.

Frequent & proper hand-washing helps prevent illness at school and at home. As for whether a child should attend school or stay at home, the basic question to ask is whether or not the child can participate comfortably without interfering with the well being of other students and staff. Any questions may be directed to the School Nurses, Holly Grubbs, Christina Williams, or Lisa Oder at 544-4376.

Employee Immunity

A school district, and its employees and agents, which authorizes the self-administration of medication in compliance with the provisions of this policy, shall not be liable in any action for any injury resulting from the self-administration of medication. The school district shall provide written notification to the parent or guardian of a student that the school and its employees and agents are not liable for any injury resulting from the self-administration of medication.

Waiver of Liability

The parent or guardian of the student shall sign a statement acknowledging that the school incurs no liability for any injury resulting from the self-administration of medication and agreeing to indemnify and hold the school, and its employees and agents, harmless against any claims relating to the self-administration of such medication.

Immunization Requirements for 2013-2014 School Year

K.A.R. 28-1-20 defines immunizations required for any individual who attends school. Please carefully review the requirements below. The usual number of doses required are listed; however there are exceptional circumstances that could alter the number of doses a child needs. If you have questions about your child's immunization status, contact your child's primary care provider or local health department. **Proof of immunizations must be provided to the school 60 days after enrollment.**

**PRIMARY SCHOOL
GUIDELINES AND DISCIPLINE POLICIES**

Responsibility of Discipline: The school and home have a shared responsibility for developing self-discipline in young people. Each student should respect the authority of all staff members, exhibit behavior that does not interfere with the rights of others, and follow school-wide and classroom rules and limits.

Objectives of Discipline:

1. Enhance the environment to promote maximum learning.
2. Develop guidelines for positive and negative behavior.
3. Establish the responsibility of each person for his/her own behavior.
4. Outline the procedures and consequences for not following the guidelines.
5. Communicate with concerned parties.
6. Focus on the behavior not the person.
7. Work for changed behavior and encourage the development of lifetime positive behavior patterns.

Written Plan: All teachers should have a written plan of classroom expectations and consequences posted in their room.

School Rules:

1. Speak and write in a positive, courteous manner.
2. Act in a responsible way that is helpful to others.
3. Respect the school and other people's property.
4. Walk in the hallways.
5. Chewing gum is not permitted
6. Respond to directions given by staff members immediately in a positive way.
7. Keep hands, feet, and all other objects to yourself.

If a student chooses to not follow the above rules these will be the consequences:

First Offense: The supervisor will redirect the student.

Second Offense: The student will be detained or placed in time out for a time determined by the supervisor.

Third Offense: The parent will be contacted by the teacher and the student will serve time out. The incident will be reported by the teacher on GoEdustar Behavior Management.

Fourth Offense: The parent will be contacted by the administration and a conference or S.A.T. (Student Assistance Team) meeting will be scheduled with the parent, the child, the child's teacher and the principal. A plan will be devised. Consequences will be determined by the team. The incident will be reported by the teacher on GoEdustar Behavior Management.

Office Referral: An office referral form should accompany the student stating the problem and other measures used prior to the referral. The referring person will notify the student's classroom teacher of the child's location. Please use the terms, "Go to the office" not "Go to the principal."

Serious Offenses and Consequences: The following severe offenses will receive the following consequences if referred to the office and may be altered depending on the unique situation of the student. All other offenses sent to the office will be dealt with according to the problem and its severity. In School Suspension will only be used in severe clauses stated above. A letter will be sent to the parents, as well as telephone contact made in cases of severe discipline.

Please remember that administrators can be used to consult in areas of discipline problems to prevent students being sent to the office on referral. Teachers will be notified of the disciplinary action taken by the administrator the same day the student is referred. When one or the other of the administrators is gone the administrator present will handle the discipline referrals.

HUGOTON INTERMEDIATE SCHOOL DISCIPLINE GUIDELINES AND POLICIES

RULES FOR STUDENT BEHAVIOR AS DEFINED BY SCHOOL BOARD POLICY

The Board of Education (BOE) will, to the extent of its legal power, ensure that every student has the opportunity to attend school for an education without fear of harm or injury. The Board will not allow persons with disruptive intent to endanger the safety of pupils or school personnel, to damage property, to interfere with the educational process, or to attempt to close the schools. The BOE recognizes the right of peaceful dissent providing it doesn't infringe upon the right of others.

Disorder or disruption of the school operation will not be tolerated. Persons attempting such action will be held accountable and necessary law enforcement shall be called as the situation warrants.

Conduct: Students shall be expected to assume their share of responsibility in maintaining an atmosphere conducive to effective teaching-learning situations in all classes and activities in which they participate under the sponsorship of the school.

Disruption of School: A student shall not use violence, force, noise, coercion, threat, intimidation, fear, passive resistance or any other conduct intentionally to cause the substantial and material disruption or obstruction of any lawful mission, process or function of school. Neither shall he/she engage in such conduct for the purpose of causing the disruption or obstruction of any lawful mission, process or function of the school if such a disruption or obstruction is reasonably certain to result.

While this list is not intended to be all-inclusive, the following acts—when done for the purpose of causing a disruption or obstruction of any lawful mission, process or function of the school--- illustrate the kinds of offenses encompassed here:

1. Occupying any school building, school grounds or part thereof with intent to deprive others of its use.
2. Blocking the entrance or exit of any school building or corridor or room therein with intent to deprive others of lawful access to or from, or use of, the building or corridor or room.
3. Setting fire to or damaging any school building or property.

Policies will be developed to implement the intent of the BOE.

Disciplinary Procedures: Students who are suspected of being in violation of school rules or regulations shall be referred to the school principal. Following an investigation, consequences may be assigned according to the following Discipline Matrix, as deemed appropriate. Accumulation / escalation of consequences will be for the entire school year.

Other options for disciplinary/corrective action are:

1. Teacher/Student Conference or Detention

A teacher may detain a student:

- A. To make up incomplete work.
- B. To receive personal help.
- C. To serve as a consequence for misconduct in the classroom.

D. To talk to the student about appropriate behavior.

The detention should be scheduled within 24 hours of assignment. Failure to attend a scheduled detention will be considered disobedient behavior as defined in the policy handbook.

2. Teacher / parent conferences: When the Teacher/Student conference proves to be ineffective, the teacher will notify the parent.

3. Principal referral / conference: When a student is referred to the principal for disciplinary action, a principal referral conference will be held. The discipline policy, procedure and infraction will be reviewed with the student at this time, as well as the assignment of any consequence. The student will be given the opportunity to tell his/her side of the incident prior to a signature request from the principal.

4. Probation: A student may be placed on conditional enrollment for a period of time. Students may be allowed to remain in school under special provisions *as determined by the hearing officer*.

6. ISS (In-School Suspension): Students are assigned to ISS for one or more days for specified infractions. *No fast food lunches will be permitted.* Students assigned to ISS will not be permitted to leave campus and will not attend or participate in any co-curricular activities on that day. Assignments from teachers will be obtained and the student will be productively busy while in ISS. Misbehavior in ISS will result in further disciplinary action, which may include suspension.

7. OSS (Out-of-school Suspension) Short-term: Following an administrative conference, a student may be suspended out-of-school (OSS) up to five (5) days, depending on the infraction. In the event a student has been assigned out-of-school suspension, a phone call will be attempted to contact the parent/guardian. In addition, the parent will be notified by letter, which details the reasons for the suspension. A parent conference with the principal may be required before re-admittance of the student to school.

8. OSS (Out-of-School Suspension) Long-term: Following an administrative conference, a student may be suspended out-of-school (OSS) up to 184 days, depending on the infraction. While on OSS the student is not allowed on campus or allowed to attend or participate in school activities. In the event a student has been assigned out-of-school suspension, a phone call will be attempted to contact the parent/guardian. In addition, the parent will be notified by letter, which details the reasons for the suspension. A parent conference with the principal may be required before re-admittance of the student to school.

9. Legal / Law Enforcement Intervention: Depending on the need, appropriate Legal Authorities and/or Law Enforcement may be notified for specific infractions that may be in violation of the criminal code. The school principal reserves the option to press charges.

* In the event that a student feels they have not been dealt with fairly or the proper process has not been followed, they may appeal the decision to the Superintendent. If an appeal is to be made, the student must inform the Superintendent within twenty (20) days of the assignment of the consequence (BOE policy JCE-R).

At the school, the Principal, or designee thereof, is responsible for receiving complaints alleging violations of this policy. All school employees are required to report alleged violations of this policy to the Principal or the principal's designee. Since some acts of bullying may be bias-related acts and potentially hate or bias crimes, school officials must report to law enforcement officials either serious acts or a pattern of acts. The initial report can be oral, but the formal report shall be written and include the written statement of the target individual(s) and the alleged perpetrator(s), and the time, location,

and context of the incident including the names and statements of witnesses and/or those involved. Patterns of bullying, if they exist, should be included in the report.

All members of the school community, including students, parents, volunteers, and visitors, are encouraged to officially report, orally, in writing, or anonymously, any act which may be a violation of this policy to the Principal or Principal's designee. All reasonable efforts shall be made to authenticate anonymous reports, but formal disciplinary action requires more than an anonymous report.

School Response to Acts of Bullying:

Some acts of bullying may be isolated incidents requiring only the school respond appropriately to the individuals committing the acts. Other acts may be so serious or parts of a larger pattern of bullying and require a response either at the classroom, school building, or school district levels or by law enforcement officials. Consequences and appropriate remedial actions for students who commit an act of bullying range from positive behavioral interventions up to and including suspension or expulsion and will increase accordingly with each repeat occurrence.

The following chart of infractions and consequences is to be used as a guideline and may be altered depending on the unique situation of the student or circumstance.
